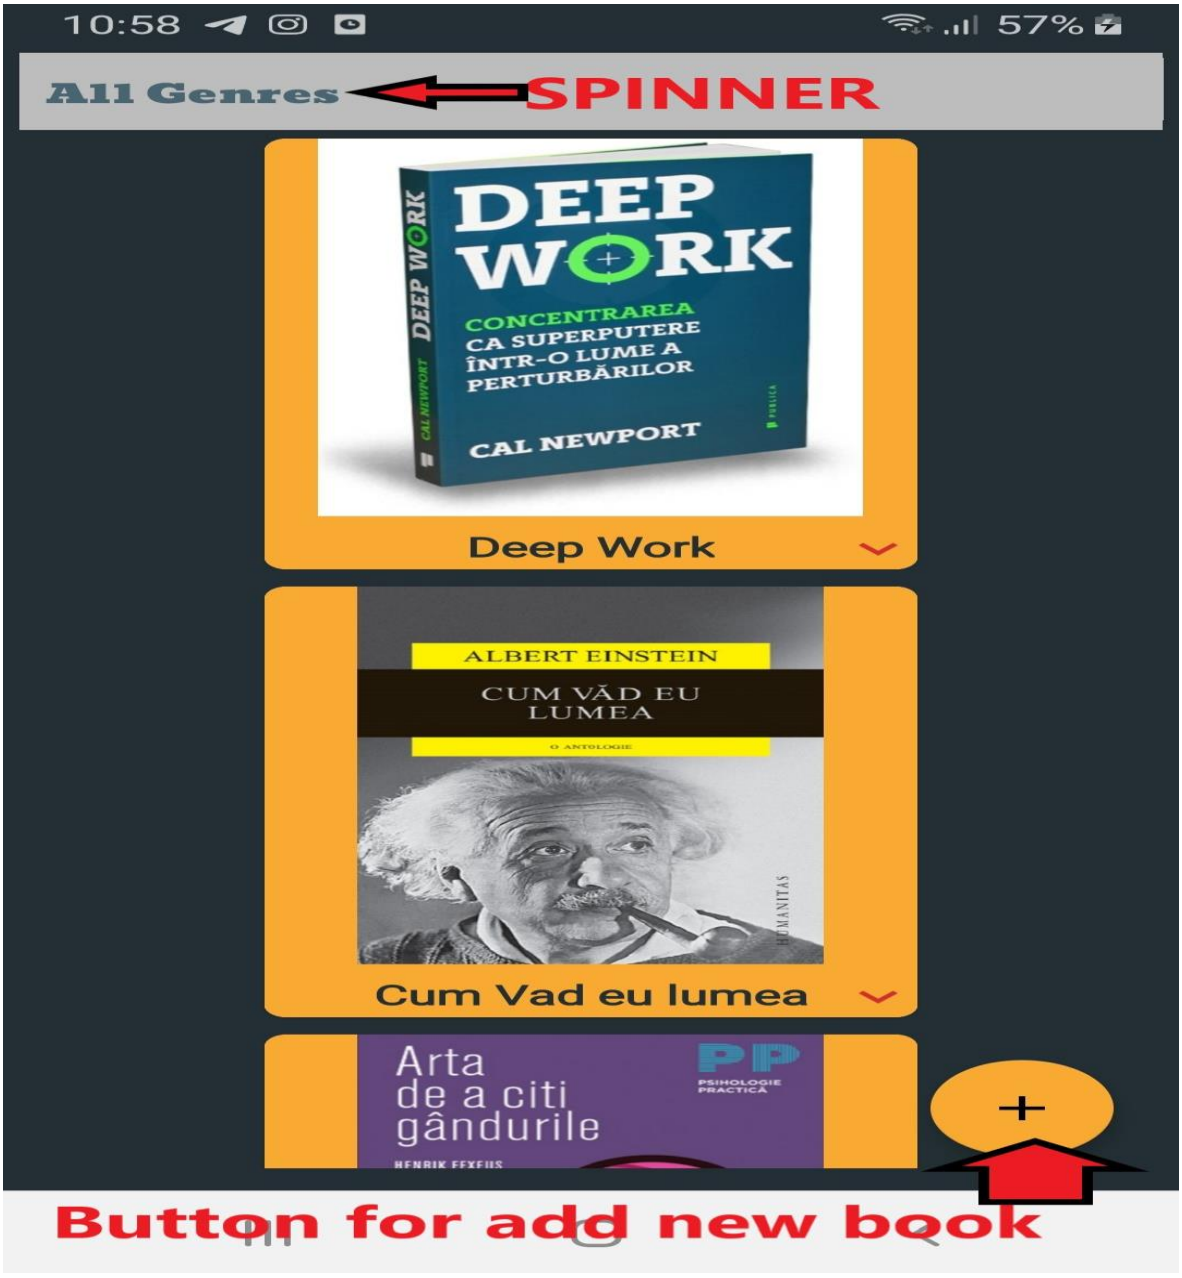
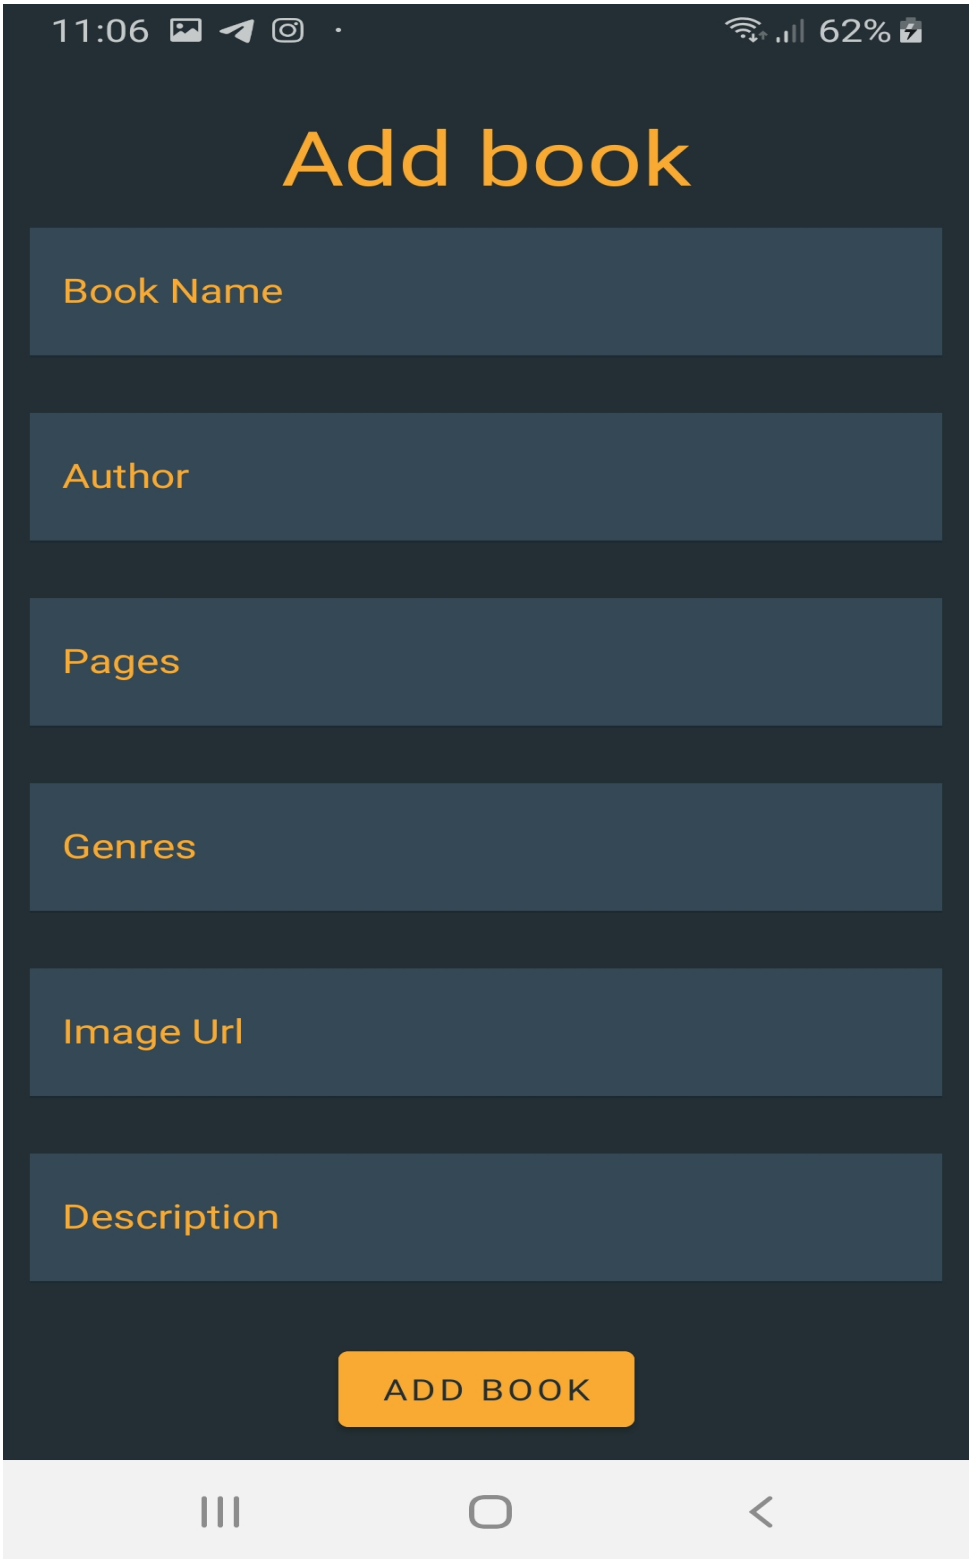
GUIDE

This application helps you organize your physical library and brag about it, books can be viewed by several general categories such as all the books you have in the library, books read, books you are currently reading, books the books you want to read, your favorite books, and the books you've read.

In the ALL BOOKS section you can add new books using the orange button and view the books by genre, using the All Genres spinner.

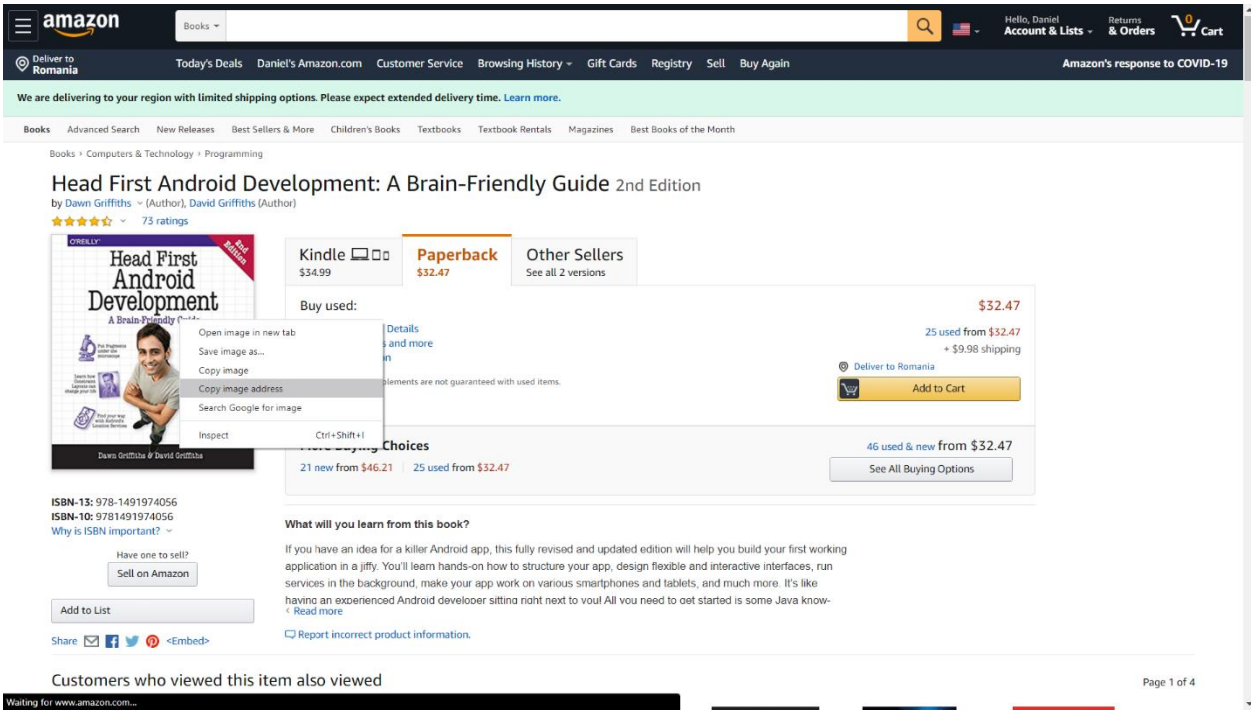


To add new books you must complete all the fields in the ADD BOOK section.



For Image Url you have to fill in the field with an online link with the book you want to add to your collection, the link must have the ending .png

exemple: https://images-na.ssl-images-amazon.com/images/I/51JzIa4VpML._SX258_BO1,204,203,200_.jpg



To add a book to a certain list you have to click on the desired book, it will display the book in detail and you can add the book to the 4 available lists, being available only the lists in which the book does not exist.

Book Name:	Deep Work
Author:	Cal Newport
Pages:	304
Genres:	Dezvoltare personala

IPOTEZA MUNCII PROFUNDE: abilitatea de a indeplini o munca profunda devine din ce in ce mai rara si, implicit, din ce in ce mai valoroasa in economia noastra. Drept urmare, cei foarte putini care cultiva si, mai apoi, transforma aceasta abilitate in esenta vietii lor profesionale, vor prospera. Deep Work are doua teluri: primul este de a convinge cititorii ca ipoteza muncii profunde este adevarata. Cel de-al doilea, este de a-i invata pe cititori sa profite de aceasta realitate, antrenandu-si mintea si transformandu-si obiceiurile de lucru
